The Best Start in Life

What Youth Need to Know About Fetal Alcohol Spectrum Disorder (FASD)

ORDER Your Video Copy and Training Sessions Today

Developed by Aboriginal youth, this 12-minute video shares information about FASD. You will see how Susan, a young woman who finds out she is pregnant, learns how to have a healthy pregnancy. The video features messages from youth and a mother with children affected by FASD.

The facilitator's toolkit contains materials for youth and others to deliver a 1 to 2 hour FASD information session:

- ♥ 12-minute video (choose DVD or VHS format) – suitable for age 12+
- ♥ Facilitator's instructions, presentation and summary slides, presentation notes, agenda and workshop evaluation form

Ideal for:

Classroom use or community programs about:

- ♥ Youth
- ♥ Health
- ♥ Parenting
- ♥ Life skills
- ♥ Alcohol and drug awareness
