

Funding opportunities

The First Nations ECE Wage Enhancement (FNWE)

Supports fairer wages for Early Childhood Education Assistants (AECE), Early Childhood Educators (ECE), Infant Toddler Educators (ITE), Special Needs Educators (SNE), and managers.

Minor Capital

Offers funding to support:

- Construction/improvement of a child care building, equipment, or playground
- Purchase of computer equipment and technology
- Purchase of large appliances like dishwashers and stoves

ELCC Service Development and Enhancement and Planning

Supports delivery of early years programs and activities, such as:

- The involvement of Elders, Knowledge Keepers, and Language Keepers
- Innovative and land-based learning
- Language and cultural programming
- Parenting programs and drop-ins
- Special needs program supports and services
- A community needs assessment
- Community discussions focused on young children and their families
- Planning for programming and services
