

# Introducing:

IELCC REGIONAL COMMUNITY  
FACILITATOR (VANCOUVER ISLAND)

Lisa Fenton

## BC Aboriginal Child Care Society (BCACCS)

*Nurturing Excellence in Indigenous Early Learning and Child Care Since 1996*

BCACCS offers training and resources designed to help Indigenous communities, parents, early childhood educators, and support staff enhance the services they provide for Indigenous children and families. Now, we have a regional community facilitator, Lisa Fenton, who is part of the team. She is available to support your community access funding opportunities.

*Lisa Fenton is Métis Cree and has been working with children and families for over 19 years. She is an ECE with I/T specialization. Lisa brings her experience and education to the communities on Vancouver Island.*

*In addition to working in child care and early learning settings, Lisa has experience working in schools as a Youth and Family Counsellor, as a Family Support Worker and in early years community development within the Success By 6 initiative. Lisa believes it takes a village to raise a child and that the village provides the roots that give the strength to the child to grow and blossom. She continues to make it her goal to gain experience and learn about the needs of communities and families.*
