

Introducing:

IELCC PROJECT COORDINATOR/
REGIONAL COMMUNITY FACILITATOR
(VANCOUVER ISLAND)

Lisa Fenton

BC Aboriginal Child Care Society (BCACCS)

Nurturing Excellence in Indigenous Early Learning and Child Care Since 1996

BCACCS offers training and resources designed to help Indigenous communities, parents, early childhood educators, and support staff enhance the services they provide for Indigenous children and families. We are pleased to introduce Lisa Fenton, Project Coordinator for our Indigenous Early Learning and Child Care Framework Initiative (IELCC) team. She is available to support your community to access funding opportunities.

Lisa Fenton is a grateful visitor on the traditional territory of the WSANEC peoples. She is Métis, Scottish and Irish. Lisa has worked with children and families for over 20 years. She is an Infant and Toddler Educator and holds a BA in Child and Youth Care. Lisa brings her experience and education to the Indigenous Early Learning and Child Care Framework Initiative.

In addition to working in child care and early learning settings, Lisa has experience working in schools as a Youth and Family Counsellor, as a Family Support Worker, and in early years community development within the Success By 6 initiative. Lisa believes it takes a village to raise a child and that the village provides the roots that give the strength to the child to grow and blossom. She continues to make it her goal to gain experience and learn about the needs of communities and families.

FUNDING OPPORTUNITIES
