

We Are One Fall Conference FAQ

1. Will BCACCS staff support group registration on my organization's behalf?

The conference coordinator can support you to register a group, however, to limit privacy and security concerns, we strongly recommend each person creates an online profile by clicking "log-in" button on BCACCS homepage. Alternatively, you can click on this link: <https://register.acc-society.bc.ca/code/>

2. Can payment for multiple participants be issued on one cheque?

If you are paying for more than one participant on one cheque, please enclose the cheque with the names of each participant and invoice number they received upon registration to help our accounting department ensure that we can discern who has been paid for and that all the outstanding costs are reconciled.

3. How and when will I receive my certificate?

Certificates are generated automatically once we have confirmed that you have paid, and all attendance is completed in our registration system. An automatic message is sent from our registration system. Generally, we finish attendance within two weeks of the conference. Please note that sometimes the automated email from our registration system gets blocked by spam filters. Please check your spam folder. You can also access your certificate, once attendance is completed, by logging in to your training profile.

4. Is there any sponsorship available?

This year we have made every effort to ensure the cost of training is extremely low, but we currently do not have individual sponsorship available.

5. Does BCACCS provide access to discounted flights or accommodation?

Although we are not able to provide access to discounted flights, we do have a block of rooms at the host venue (Sheraton Vancouver Airport Hotel) that have been put aside at a discounted rate of \$209.00 per night. You can make a reservation under this group rate by calling 1-800-663-0299, emailing reservations@sheratonvancouverairport.com, or using the following link:

6. Where can I find the description of the available workshops?

The conference program has a description of all the workshops. All the conference information can be found on our conference webpage. You can download the conference program from there. <https://www.acc-society.bc.ca/education-training/bcacccs-annual-provincial-training-conference/>

7. Is the conference going to be recorded?

The hybrid stream (1) is being recorded throughout the conference where we have permission from the facilitator. This recording will be available to conference delegates soon after the conference ends.
