

Quesnel & District Child Development Centre

We acknowledge with humility and respect that the land on which we work is the traditional and unceded territory of the Lhtako Dené Nation.

Q&DCDC JOB POSTING PERMANENT FULL-TIME

Position: Indigenous Supported Childcare Development (ISCD) Consultant
37.5 hrs. per week (1.0 FTE)

Due to the nature of the work involved and to serve our community in the most effective way possible, preference will be given to qualified self-identifying Indigenous candidates.

Overview: The Quesnel & District Child Development Centre (Q&DCDC) is located on the traditional and unceded territory of the Lhtako Dene people. The ISCD Consultant will provide services to First Nations, Metis, and Inuit families/caregivers and children in the Quesnel & surrounding area. The ISCD Consultant assesses the needs of children and youth, families, childcare staff, and works with the family to develop Individual Service Plans that enhance inclusion within childcare settings and promote development. The ISCD Consultant will work collaboratively with childcare staff, ISCD support workers, parents, and other team members to identify goals and strategies that reflect the best interests of the child within the context of the family.

QUALIFICATIONS:

You are a detail orientated, proactive and outgoing person whose experience working with children and youth with support needs sets you apart from other applicants. Plus:

- Early Childhood Education credential + Special Needs diploma
- Three years recent related experience working with children who need extra support
 - Or an under-graduate degree in a related field
 - Or an equivalent combination of education, training, and experience
- Knowledge of Supported Child Development philosophies and objectives
- Strong relationships with community service providers and good understanding of Indigenous Culture, local traditions, and protocols.
- Knowledge and commitment to the Calls to Action: Truth and Reconciliation Commission of Canada.
- Familiarity with neurotypical developmental milestones
- Competency using standard office-related information technology
